

The Rest-Guard Benefits & Features Guide

Benefits

- Stops the accumulation of dust-mites in the mattress.
- 100% Waterproof design.
- Easy to maintain.
- Unique design allows the body to breathe.
- Manufactured with a superior grade of cotton/polyester terrycloth with a thin but strong polyurethane backing.
- Pillow covers have a zipper closure.
- 10 Year warranty.
- Service.

Features

- Reduces the occurrence of wheezing, congestion, sneezing, itchy watery eyes, headache, fatigue, rashes and a weakened immune system, caused by dust-mites & their droppings.
- Prevents mattress stains and the transfer of moisture between the mattress and body.
- Like any fitted sheet, just remove and machine wash in hot water, tumble dry and replace for continued protection.
- The cotton terrycloth covering pulls normal perspiration moisture away from the sleeper's body, eliminating the hot, sticky feeling that comes from using other mattress covers.
- The Rest-Guard covers are quiet. They will not make any annoying crinkling or scraping sounds with every movement.
- The pillow covers will totally incase the pillow, giving it maximum protection against dust-mite accumulation.
- Has one of the best warranties in the business.
- Taperly products back every product we sell. If any defects in workmanship or materials should arise, we will deal with the customer directly, replacing their covers and answering their concerns. Any customer questions, complaints or issues are handled by Taperly. The retailer never needs to spend time and money dealing with problems or returns.
